Social Media And Electronic Commerce Law

[Social Media And Electronic Commerce Law](#)

The ever-evolving nature of electronic commerce and social media continues to challenge the capacity of the courts to respond to privacy and security violations in 'cyberlaw'. Social Media and Electronic Commerce Law is designed to provide students and legal practitioners with a thorough and engaging exploration of the laws, regulations and grey areas of commerce via online platforms.

[Social media is transforming communications, but what many people do not see is how social media impacts litigation. Today at least 95 percent of all information is electronic, and the continued proliferation of social media surely will make that percentage grow. As I pointed out in my recent column about judges and social media, U.S. Supreme Court judges remarked that they "didn't get social ...](#)
